

Social media posting guidelines

Trumark is excited to connect with members on social media and welcomes all constructive feedback. Trumark's social media accounts are managed by the credit union's Marketing department. While we are happy to assist where possible, we are unable to provide member service regarding or related to an account. For personalized account assistance or to address an immediate concern, please visit a local branch or call the credit union's Member Service Center at 1-877-TRUMARK (878-6275).

While social media is an open forum, Trumark intends to maintain a family-friendly atmosphere. Please be aware all comments, posts, and materials are reviewed to ensure appropriate language is being used and there are no violations of Trumark's social media guidelines. The comments posted on Trumark's social media do not represent the opinions of Trumark Credit Union.
