Your Guide to Benefit describes the benefit in effect as of 4/20/26. Benefit information in this guide replaces any prior benefit information You may have received. Please read and retain for Your records. Your eligibility is determined by Trumark Credit Union.

Extended Warranty Protection

Product warranties can be inconvenient and cumbersome to use. Let's say You purchased a great gadget about a year ago, but it just stopped working, and You can't find Your sales receipt and warranty information. For all too common situations like these, Extended Warranty Protection can help.

Extended Warranty Protection provides You with valuable features that help You manage, use and extend the warranties for eligible items purchased on Your covered Account and/or rewards program associated with Your covered Account. Services include Warranty Registration and Extended Protection. You are eligible for this benefit if You are a cardholder of an eligible card issued in the United States and You purchase either a portion or the entire cost of the item using Your Account and/or rewards program associated with Your covered Account.

Here's how Warranty Registration works

When You purchase an eligible item that carries a manufacturer's warranty, You can register Your purchase by calling **1-800-551-8472** or **call collect outside the U.S. at 1-303-967-1096**. You can also register Your purchase online at **www.cardbenefitservices.com**.

The Benefit Administrator will tell You where to send Your item's sales receipt and warranty information, so they can be kept on file should You need them.

If You choose *not* to register Your item, be sure to keep Your monthly billing statement reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty and any additional warranty in a safe place. These documents will be required to verify Your claim.

Here's how Extended Protection works

Your warranty coverage can be doubled up to one (1) additional year on eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional three (3) months of coverage for a combined total of six (6) months of coverage, and a warranty for six (6) months would be provided with an additional six (6) months of coverage for a combined total of twelve (12) months of coverage. However, if the manufacturer's warranty is for three (3) years, it would only be extended one (1) additional year for a combined total of four (4) years of coverage.

This benefit is limited to no more than the original price of the purchased item (as shown on Your credit card receipt), less shipping and handling fees, up to a maximum of ten

thousand dollars (\$10,000.00) per claim, and fifty thousand dollars (\$50,000.00) per cardholder.

The benefit covers purchases made both inside and outside the U.S. The eligible item must have a valid original manufacturer's U.S. repair warranty of three (3) years or less, a U.S. store-purchased dealer warranty, or a U.S. assembler warranty.

What Extended Protection does *not* cover

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle
- Any costs other than those specifically covered under the terms of the original manufacturer's written U.S. repair warranty, as supplied by the original manufacturer, or other eligible warranty
- Items purchased for resale, professional, or commercial use
- Real estate and items which are intended to become part of real estate including, but not limited to, items that are hard-wired or hard-plumbed, garage doors, garage door openers, and ceiling fans
- Rented or leased items
- Computer software
- Medical equipment
- Used or pre-owned items (Refurbished items will be covered as long as it has a warranty with it and would not be considered used or pre-owned.)
- Losses caused by or resulting from a Cyber Incident.

Filing an Extended Protection claim

To file a claim, call the Benefit Administrator at **1-800-551-8472** or **call collect outside the U.S. at 1-303-967-1096**, immediately after the failure of Your covered item. **Please note if You do not notify the Benefit Administrator within sixty (60) days of product failure, Your claim may be denied.**

The Benefit Administrator will request preliminary claim information, direct You to the appropriate repair facility, and send You the claim form. Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.

If You received or purchased a service contract or an extended warranty when You purchased Your item, this benefit will be supplemental to, and in excess of, that coverage.

What You must submit to file a claim

Fill out and sign the claim form the Benefit Administrator sent You, then submit the form **within ninety (90) days** of the product failure, along with the following documents:

- A copy of Your monthly billing statement (showing the last four [4] digits of the Account number) demonstrating that the purchase was made on Your eligible Account and/or rewards program associated with Your covered Account

- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points or any other payment method utilized
- A copy of the itemized sales receipt

How You will be reimbursed

If You have substantiated Your claim and met the terms and conditions of the benefit, Your item will be replaced or repaired **at the Benefit Administrator's discretion**, but for no more than the original purchase price of the covered item, as recorded on Your credit card receipt, less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and a maximum of fifty thousand dollars (\$50,000.00) per cardholder. You will only be reimbursed up to the amount charged to Your Account or the program limit, whichever is less.

Under normal circumstances, reimbursement will occur within five (5) business days of the receipt and approval of all required documents.

If Your item is to be repaired, You may go to an authorized repair facility and file a claim for reimbursement. Only valid and reasonable repairs made at the manufacturer's authorized repair facility are covered.

Cellular Telephone Protection

Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An involuntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S. issued card enrolled in the Cellular Telephone Protection benefit and You charge Your monthly cellular wireless phone bills to Your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on Your most recent cellular wireless service provider's ("cell phone provider") monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered?

This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (for example; cell phone insurance programs, or Your homeowner's, renter's, automobile, or employer's insurance policies).

If You **do** have personal insurance that covers theft, damage or involuntary and accidental parting for Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You **do not** have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting for Your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage up to **two hundred dollars (\$200.00)** per claim with a maximum of two (2) claims and **four hundred dollars (\$400.00)** per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to or an involuntary or accidental parting of the device, You will receive the replacement value subject to the fifty-dollar (\$50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cellular wireless service provider's suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar (\$50.00) deductible.

Note: Electronic issues, such as inability to charge, mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?

Cellular Telephone Protection applies when You make Your monthly cellular wireless phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill.

If You fail to make a cellular wireless phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.

If Your cell phone is stolen as a result of criminal activity, You must file a police report within forty-eight (48) hours of the event.

What is not covered?

This benefit will not provide reimbursement for the following:

- Cell phone accessories other than standard battery and/or standard antenna provided by the manufacturer
- Cell phones purchased for resale, professional, or commercial use
- Cell phones that are lost or “mysteriously disappear,” meaning that the phone vanished in an unexplained manner without evidence of a wrongful act by a person or persons
- Cell phones under the care and control of a common carrier (including, but not limited to, the U.S. Postal Service, airplanes, or delivery service)
- Cell phones stolen from baggage unless hand-carried and under Your personal supervision, or under supervision of Your traveling companion
- Cell phones which have been rented, borrowed or are part of pre-paid or “pay as you go” type plans
- Cosmetic damage to the cell phone or damage that does not impact the cell phone’s capabilities and functionalities
- Damage or theft resulting from abuse, intentional acts, fraud, hostilities of any kind (including, but not limited to, war, invasion, rebellion, or insurrection), confiscation by the authorities, risks of contraband, illegal activities, normal wear and tear, flood, earthquake, radioactive contamination, or damage from inherent product defects
- Damage or theft resulting from misdelivery or voluntary parting with the cell phone
- Taxes, delivery and transportation charges, and any fees associated with the cellular wireless service provider
- Losses caused by or resulting from a Cyber Incident
